Jane Doe

Data Scientist | Berlin
jane.doe@icloud.com
GitHub | LinkedIn | Portfolio

Skills

LANGUAGES	Python R SQL
LIBRARIES	Pandas NumPy PyTorch TensorFlow

Work Experience

01/2019 -- TODAY	**DEEPSIGHT ANALYTICS** *Senior Data Scientist* - Built predictive models to optimize customer lifetime value - Led a team of 4 data scientists to deploy a real-time fraud detection system using PyTorch and Kafka - Migrated legacy models to cloud-based architecture using AWS SageMaker AWS SageMaker PyTorch
06/2016 -- 12/2018	**INDATA SOLUTIONS** *Data Scientist* - Developed a recommender system that improved user engagement by 20% - Designed and maintained ETL data pipelines Recommender Systems ETL SQL Data Pipelines

Education

2014 -- 2016	**FREIE UNIVERSITÄT BERLIN** *M.Sc. in Data Science*
2010 -- 2014	**TECHNISCHE UNIVERSITÄT DRESDEN** *B.Sc. in Statistics*

Other

CERTIFICATIONS	TensorFlow Developer Certificate AWS Certified Data Analytics – Specialty
INTERESTS	Data ethics, generative AI, urban informatics
